Reading Recreation Commission Meeting \*\*\*\*\*

Tonight's Meeting called to order at 8:25 PM was preceded by an Executive Session, dealing with personnel issue. Prior to that action, the Board was approached by Mr. Michael Setley, Esquire, who attempted to assist us with our present and future status. Mr. Setley stated that he and his firm would be willing to assist <sup>to</sup> gain all proper procedural certification, including assisting us with the 501-C3 non-profit status at no charge to the Commission. Our only expense during this process would be any/all application fees, which we will certainly agree to pay.

In attendance were: Jim Washington, Marisol Torres, Otis Smith, John Santoro, Marcia Goodman-Hinnershitz, Francis Acosta, Eddie Moran and Mike Schorn. Absent were: William Hall and J. Drue Miles. Guests in attendance included: Vaughn Spencer ( Mayor ), Issamac Torres-Figueroa, Michael Setley and Matt Lubas and Sue Landes.

Mr. Schorn asked the Commission members to join in the pledge-to-the-flag. Discussion on the topic of the Executive Director was very thorough. Sue Landes, our Peer-To-Peer facilitator, encouraged us to make an offer, citing the Circuit Rider Grant to the City for \$ 65,000. After much discussion, the Board authorized the Chairman to negotiate a salary of \$ 65,000 with an additional \$ 2,500 in total range. Mr. Schorn said he would do that in person. The motion was made by John Santoro and Otis Smith and the vote, although unanimous in the selection process, was only 5-3 to expand the offer. Mr. Smith, Mr. Santoro and Mr. Schorn were opposed to offering more than the CRG approved.

Discussion involving ADP as our check-service provider ensued. Mr. Schorn explained that since the last meeting, ADP came back with an agreement price of approximately \$ 91.00 per bi-weekly charge for 36 employees. It was discovered that there were two or three encumbrances on existing employees, which increased our bottom line slightly. ADP also stated that they are willing to contribute \$ 400 into our account after 90 days as an incentive and a reward for joining ADP.

Mr. Schorn shared with the Commission members that our bank account with VIST bank has a balance of \$ 5,200.03 as of 1/10/12. Otis questioned comments about a Youth Account and a Tennis Account and whether or not these accounts would be separate in the future. It was understood that all monies would go into a consolidated account, and it would be the Executive Director's job, or the responsibility of a supervisor, to keep that money straight within the general account.
