# GREETINGS...

It is with great pride that we compiled our very first Annual Report for the new Reading Recreation Commission. The Commission is a partnership between the City of Reading and Reading School District, funded in part by tax dollars, that provides quality programs and facilities to the residents of Reading. The partnership between the two entities allows us to provide better recreation services in a more cost-effective way.

2012 was a year of accomplishments for our organization. One of the most celebrated and remarkable achievements for us was the return of the summer playground program at four City locations that culminated in a Lantern Parade, an event that many residents (current and former) look back on fondly. In addition, we significantly upgraded our recreation centers and field houses, hosted new special events including an Easter Celebration and a Halloween Hayride, coordinated the largest collegiate Reading City volunteer cleanup ever attempted which cleaned up 13 parks simultaneously (over 1,000 volunteer hours!), and accomplished the “organizing” of the organization to allow for more operational efficiency.

We hope that as you read through this annual report, and look at the photos from programs and events throughout the year, you will get a sense of what we do, what we’re about, and why we matter. Our staff serve as mentors to youth and provide them with opportunities to learn, feel cared for, and become engaged in sports and activities. Positive recreation experiences help to build stronger communities and improve people’s lives.

Of course, we cannot be successful without the dedication of our board and staff and many, MANY supporters. Thank you so much to everyone who helped us this past year.

# ABOUT OUR LOGO

One of the many tasks that the Reading Recreation Commission undertook in 2012 was the development and design of a logo that would best capture our mission of serving youth with a hopeful eye to the future and a respectful “nod” to the past.

Our logo, which depicts a child holding a round lantern illuminating the words “Reading Recreation Commission”, captures the very soul of our organization. The lantern, shaped like the ice cream container lanterns of the past, represents the much revered Lantern Parade, a City of Reading Recreation program since the 1930’s. The “light” represents the bright future that the Reading Recreation

Commission will have in the City of Reading. It is interesting and important to note that statues of children holding lanterns signified a safe place to rest on the Underground Railroad, and many of these statues can still be found on older properties in Reading. The font represents the glory days of the Reading Railroad.

We are very proud of our logo and all that it represents and hope that you will like it too. Thanks to everyone who helped with the design process along the way including the Klahrs, Berks Digital Design, Otis Smith, and the Board of Directors of the Reading Recreation Commission.

## SCHLEGEL FIELD HOUSE SCHLEGEL PARK

The historic Schlegel Fieldhouse is a beautiful facility overlooking the lower ball fields and swimming pool in Schlegel Park. The field house is used for many special events including birthday parties, reunions, holiday parties, and gatherings. The refinished wood floor, stone fireplace, restroom facilities, and seating capacity of 50 make Schlegel Field House an ideal location for any small event. The lower level of the field house serves as storage for softball and baseball programs.

## PENDORA FIELD HOUSE PENDORA PARK

The Pendora Field House is our largest field house facility with a capacity of 80 people seated conference style. The Pendora Field house received many upgrades in 2012 including new cabinetry and countertops, curtains, fresh paint, new doors, refinished floor, and new tables and chairs.

## PAVILIONS

The Commission rents out the use of large and small pavilions throughout the City of Reading. All pavilions provide a convenient place to hold picnics and reunions within our beautiful City parks.

### Pavilion Locations

- Baer Park
- City Park—Rose Garden
- Egelmans Park
- Pendora Park
- Schlegel Park
- 2nd & Oley
- 3rd & Spruce

## FIELD RENTALS

From March through November, our fields are used for a variety of purposes including soccer, football, rugby, kickball, softball and baseball. The fields are maintained by employees of the Recreation Commission and the City of Reading Public Works Department. Some of our fields, such as Schlegel Park Upper field, afford views of the City of Reading that are breathtaking!

## 11TH AND PIKE RECREATION CENTER

1185 PIKE ST.

SERVES YOUTH IN GRADES 1–5

The 11th and Pike Recreation Center provides safe and fun recreation activities to City youth all year long. During the school year, the recreation center is open every day from 3:30pm—8:00pm and in the summer hosts a playground program weekdays from 12:00pm—5:00pm. In addition, many sports leagues including basketball and volleyball use the center at night and on weekends.

The center has an elementary-size gymnasium, a game room, homework room, and cafeteria. During the year, daily activities include arts and crafts, board games, sports activities, tutoring, career development workshops and clubs. Some of the most popular clubs include Art and Dance Clubs.

11th and Pike was host to several special events in 2012 including our Easter Celebration and a special visit from Disney's Phineas and Ferb.

The recreation center serves as a “home away from home” to many kids. They are provided meals every day through our Kids Café program, receive homework help and valuable mentoring time with our qualified staff.

Average Attendance: 40-80 per day

## 3RD AND SPRUCE RECREATION CENTER

320 S. 3RD ST.

SERVES YOUTH IN GRADES 1–12

The 3rd and Spruce Recreation Center provides safe and fun recreation activities to City youth all year long. During the school year, the recreation center is open weekdays from 3:30pm—8:00pm and in the summer hosts a playground program weekdays from 12:00pm—5:00pm. In addition, many sports leagues including basketball and volleyball use the center at night and on weekends.

The center has a full-size gymnasium, a game room, homework room, and cafeteria. During the year, daily activities include arts and crafts, board games, sports, tutoring, career development workshops and clubs. Some of the most popular clubs include Art Club, Dance Club, and Girls Club which bring together teenage girls to discuss issues that are most affecting them.

Many special events are hosted at 3rd and Spruce for City youth. Our most popular are the holiday dances which bring together kids from 3rd and Spruce and the 11th and Pike Centers to dance, eat, and have a blast hanging out with their friends. Other events in 2012 included a basketball workshop, Career nights, and Rec Idol.

The recreation center serves as a “home away from home” to many kids. They are provided meals every day through our Kids Café program, receive homework help and valuable mentoring time with our qualified staff.

Average Attendance: 78—150 per day

## LANTERN PARADE AUGUST 17TH CITY PARK

Ask anyone what their fondest memories of the City of Reading Playground Program are and they will surely mention the Lantern Parade. Historically, the Lantern Parade (held on Penn Street) involved hundreds of children from throughout the City carrying lanterns made out of ice cream containers and cellophane, with real candles to illuminate them. Although our current lanterns use glow sticks, the excitement of celebrating the end of summer with other children was just as high as it always had been in the past. All four of our playgrounds participated in this event which was held in City Park. The night ended with an impromptu dance onstage with kids and staff. The Lantern Parade also inspired our new Reading Recreation Logo which bridges the great history of recreation in Reading to our very bright future!

# TENNIS

Our City of Reading “COR” Tennis Program is stronger than ever under the direction of Coach Larry and his phenomenal team! Tennis staff visited Reading School District gym programs throughout the year to provide tennis instruction to students. In addition, special events like the “Hit-A-Thon” and the “Turkey Tournament” drew hundreds of tennis youth and their parents. Special acknowledgement to Pat Shields (Fromuth Tennis) for his continued support of our tennis programs! Total Program Participation (not including special events): 2449

# VOLUNTEERS/PARTNERSHIPS

A major focus of the Recreation Commission in it's first year was repairing, cleaning, upgrading, and improving the facilities and parks in which we operate programs and events. Over the course of the year, we welcomed over 750 students from Alvernia University and Albright College who cleaned buildings, painted, picked up trash, landscaped, and more clocking a total of 3,000 volunteer hours. We also welcomed smaller groups such as Little Acts of Love who spent over 6 hours cleaning and improving the 3rd and Spruce Playground. We received strong support from the City of Reading Public Works Department and Reading Beautification who supplied equipment, trash bags and gloves, paint, tools and much more. Thank you to everyone who helped us beautify our parks and buildings in 2012—we couldn't have done it without you!

Total Volunteer Hours: 3,000+  
Total Parks Cleaned: 13  
Total Number of Buildings Renovated: 4
