**Reading Eagle**

READING, PA

The Reading 120 Family Fun Zone in front of the bandshell in City Park will keep the younger ones busy and happy during the Reading 120 Classic of the Americas.

Organized by the Reading Recreation Commission, the Fun Zone will include:

- Inflatable slide
- Face painting
- Crafts
- Lawn games
- Big wheel races
- Pound fitness class at 10:30 a.m.

Should anybody get hungry, snacks and beverages will be available for purchase from adjacent food vendors at the corner of Constitution Boulevard and Rose Garden Way.

Kids can still catch the racing action, get their "woo" on as the competitors go past City Park five times and watch the winner cross the finish line.

The Fun Zone is sponsored by the Reading Recreation Commission, a community partnership between the city of Reading and the Reading School District.
